We recognize the need to ensure the welfare and safety of all young people taking part in any activity associated with our organization. In accordance with our child protection policy we will make the best efforts not to permit photographs, video or other images of or by young people to be taken without the consent of the parents/caretakers and children. We would like to ask for your consent to take photographs/videos that may contain images of or by your child. By signing this form, you are granting Berkshire Magazine (and its family companies by Old Mill Road Media LLC) consent to take photographs/videos that may contain images of or by your child. It is likely that these images may be used as photographs in print and/or digital products of the Berkshire Magazine or their successors.
